CHILDREN’S SUPPLEMENT - Preschool through Grade 5 (Summer, 2017)

Section 1 – *Titles for Grades 3, 4, 5+

Superbook episodes have been updated to better appeal to the new generation of kids, but with the same biblical truths as before... and one of our Library patrons has generously donated a whole set of these for families to enjoy!

“**SUPERBOOK** teaches children timeless moral truths and life lessons through the captivating, Bible-based adventures of two time-traveling children and their robot friend.

“The familiar and the futuristic interact with ancient people, places and events to create a sense of wonder, anticipation, empowerment, and personal breakthrough as the children witness God's interaction with man. **Superbook** is always an exciting journey, full of discovery - with a transformational outcome.” (- Producer); Episodes are about 30 minutes each, plus the *bonus features*. Produced by CBN (Christian Broadcasting Network) using the latest 3D CGI technology. See Parent’s note below about viewing by younger children, under age 10. Some older kids (ages 10-12+) will also enjoy these animated stories!

The main characters include:

- **Chris Quantum** – “An awesome skateboarder, video gamer and lead guitarist in a garage band with his Valleyview Middle School buddies, Chris uncovers the secrets of *Superbook* through a mysterious portal to the past.”
- **Joy Pepper** – “Next-door neighbor and classmate of Chris Quantum at Valleyview Middle School. She is outgoing and usually a bit more adventurous than Chris. She loves soccer, is athletic, and great at other sports as well.”
- **Gizmo** – “Created by Chris' dad, Professor Quantum, to protect the kids—but they end up protecting him. He loves upgrades to make himself more useful and would rather stay in the lab than time-travel with *Superbook*. A really cool feature of Gizmo is that he can change his appearance as needed.” (- information from *Superbook* website).
